

In the Specification

Kindly amend the specification at page 3, last paragraph, to read as follows:

In addition to providing the parent, guardian or administrator with controlled access thereto, the folders can be made available to the students themselves in order to assist the students to identify performance trends and to review the documents as study and teaching aids, such as in preparation for final exams, without the need for retaining the original materials.

Periodically, such as at the end of a school year, all of a student's work can be transferred to additional or alternative media, such as a compact disk [d], for archival storage and/or distribution.
